Term 3

Happy New Year! Welcome back to a brand-new term! We would first like to say how proud we are of all the children and how they have settled into school over the first two terms. They have blown us away with their learning so far - it is amazing to see the progress they have all made in such a short space of time.

We also wanted to say a huge thank you for coming to support the children during their Christmas performances. We're sure you will agree that their singing was excellent, especially performing in front of such a big crowd.

We hope you all had a relaxing Christmas break and made lots of lovely memories with your families and loved ones.

This term's learning is centred around the topic:

Zoom to the Moon!

If you consider yourself to be a 'Space expert' or know someone that is, and would like to come into school to share this knowledge with the children please let the class teachers know. Thank you.

This term we are looking at the Christian Value:

Respect.

Please see Google Classroom for the knowledge organiser and our home learning for this term.
