

# Term 4 Home Learning Tasks

## Practical

Draw a map of your local area, labelling what is around you.  
Can you identify the human and physical characteristics?

## Reading

Create a 5-question quiz on your current reading book (with answers 😊).  
Can you include the reading toolkit in your questions?

## Music

If you were to choose the Musician of the term-who would it be?  
Share what you enjoy about this artist and why you have chosen them.  
What are your favourite tunes?

## Art

Create a piece of art that reflects your beliefs.

What media could you use?

- Collage,
- Sketch,
- Mosaic,
- Watercolours,
- Your choice.

## PSHE

What makes you healthy?  
Create a cartoon strip informing someone of how they could lead a healthy lifestyle.

## History

Research and create a presentation about a key figure during WW2. For example: Churchill or Anne Frank.

## MasterChef

Using the ingredients that were available during WW2, what can you make for breakfast, lunch or dinner?  
How can you incorporate rationing into your meal? Can you create a rationing book?

## Maths

Find the area and perimeter of a chosen space in your home and present this in a scale diagram.

## DT

Find examples of levers and pulleys around the house, draw a diagram or take a picture and then explain why it's useful.
