Term 4

Welcome back Year R!

Before we know it, it'll be Spring and we have a very exciting term ahead of us!

This term's learning is centred around the topics "How does your garden grow?" and "All creatures great and small"

Please see Google Classroom for the knowledge organisers and the home learning for this term.

If you consider yourself to be an 'animal/plant expert' or know someone that is, and you would like to come into school to share this knowledge with the children please let the class teachers know.

Thank you.

This term we will be looking at the Christian value *Forgiveness*.
